

CCS Dress Code 2024-2025

Lands' End Preferred School Number: **900100140** (Please create a free account or be sure to update your existing account.)

*For items not specifically listed "Lands' End" on the chart, identical items matching in color, fabric, and style to our school's Lands' End Uniforms, may be purchased at other vendors.

*All uniforms are to be clean, neat, well-fitting, and in good repair.

*If not following the dress code, students may be required to change.

*It is the parent's responsibility to ensure their student is compliant with the CCS dress code policy. Enforcement begins at home before the school day begins. If in doubt about the dress code, please ask the Administration.

*When do I need a collared shirt? Any item, that is a pullover without a collar, needs a polo shirt or oxford under it. If it has a collar or is a complete button up front (like a sweater), the essential T is fine to wear under it.
